CAMERA GROUP FOR OCTOBER - P. C. Satterthwaite, Chairman

The October meeting of the Camera Group will be held at 2:00 P.M. on Tuesday, the 19th, at the home of Charles Heiney whose address is 1263 Brookwood.

All members who took pictures on our field trip to Cranbrook House in June should bring their slides to this meeting. Mark your slides for easy identification. We will show these slides and have a general critique so that we all may learn from our own and others mistakes. THERE WILL BE NO PRIZES AWARDED.

HISTORY, PAST AND PRESENT

Having become a Life Member of this organization, I must now tell you why I am proud to be so honored.

Frequently people refer to us as a Senior Citizens Organization. When this happens, I correct them in no uncertain terms, I tell them our name means just what it says.

We are a Senior Men's Club and are not affiliated with any of the various Senior Citizens Groups. Our officers have always been men of ability and of action. We create our own activities and our capable committees promote them.

T.A.(Mose) Henshaw, Historian

Please note change in the Constitution and the By-Laws Re. Dues

"All dues are payable January 1st of the current year. If a member has not paid his dues by January 31st of that year, he will be notified that, if his dues are not paid by March 1st of that year, his membership in the club will be DISCONTINUED....."

FLU IMMUNIZATION PROGRAM

On Wednesday, October 27th, the Oakland County Department of Health will conduct the Flu Immunization Program at The Community House from twelve noon (12) to two (2) P.M. in our meeting room on the first floor. PLEASE CHECK WITH YOUR DOCTOR before having this "Swine Flu" shot. Anyone in the community is entitled to come that day and at that time.

The following is a message from the Oakland County Department of Health:

"For the past few years the Oakland County Department of Health has administered flu immunization to senior citizens. Based on the prospect that a "Swine Like" influenza virus will cause extensive disease this year, the Oakland County Department of Health is participating in a nationwide vaccination campaign to protect against this possibility. Certain population groups have been identified as "High Risk". Older persons, particularly those over 65 years, as well as persons of all ages who have chronic health problems such as diabetes, heart, lung or kidney disease should receive flu shots.

Older persons who contract flu are likely to be sicker or to develop more serious complications. Therefore, the Department of Health is urging seniors to obtain flu shot.

The vaccine is prepared in eggs so if you are "Allergic" to them you should check with your physician for permission."

FOR SALE: 1-Folding and adjustable walker --never used.
1-Everest and Jennings wheel chair--it folds--as good as new.

RECYCLING CENTER OF BIRMINGHAM --To the Senior Men's Club

We look forward to the opening on October 2 of the RECYCLING CENTER OF BIRMINGHAM. Several months in search of an appropriate site and six weeks of actual preparation have made this a reality. Its success depends on all of our cooperation in sorting and collecting the common household materials of glass and metal containers, as well as newsprint.

Volunteers are needed and welcomed. A donation of 3 hours time on an occasional Saturday will make this project effective. Within your active, involved membership, we sincerely hope that there are people committed to the value of recycling, and who will be able to share in the Center's operation.

Please contact COMMON GROUND at 645-9678.

Thank you.

Planning Committee
