GOLF

Every Thursday 38 to 40 Golfers tee off and some come back smiling, as for the others, put your own word in. Among the tops are some really decent scores, for example: John O'Brien is 41-42; Whittaker..44-45 Larzelare..44-49; Peerenboom..47-48; Draper.. 50-45; Les Wilder..53-52-43; Norm Sanborn..52-53; and Wes Groves is far off with 56-58; but watch out for Frank Hudson who chalked up a 44-40 before he took off (These are the last 2 week averages.)
