Lundgren To Lead Club During 1994

Quiet-spoken Clifford Lundgren will bring his many-faceted engineering skills to bear when he assumes the leadership of the Senior Men's Club at the first 1994 meeting. Lundgren, 78, was elected president, heading a slate that also included Donald Clark as first vice president and Gordon Henderson as second vice president. Succeeding Henderson as treasurer will be James Peters.

Born in New York City, Lundgren grew up in Detroit where he attended

public schools and was graduated from the University of Detroit with a mechanical engineering degree.

As part of a co-op program he worked for the Denton and Anderson Co., manufacturers of major welding equipment. He was hired when he graduated and stayed with the organization for 46 years, finally retiring in 1980 after serving as sales manager of Taylor Winfeld, the parent corporation.

The firm developed many of the technologically advanced welding processes being used in the manufacture of automobiles and appliances today.

Lundgren and wife Jackie have four children and six grandchildren, and Cliff finds that at his age working with computers, stagecraft and reading have displaced golf and boating as hobbies.

THE REMINDER DEADLINE: FRIDAY, DEC. 23, 1993

The Investment Group raised \$200 and Chairman Charles Blessed (left) had the pleasure of stuffing it into the jug that John Spomer passed around November 19 on behalf of the Oakland County Children's Village. When it was over John had \$3,100 for the children and hoped to get closer to his \$3,500 goal with the help of late checks.

Great Banquet Ends Golf Season

The 1993 golf season ended with a great banquet attended by 97 avid golfers on October 13. Everyone unwound during the "Happy Half Hour" followed by a delicious dinner topped by the chef's specialty for dessert.

I wish to thank the committee - Lowman, Steele, Clark and Spomer - and all the players for making the season a good one. 1606 rounds were played compared to 1402 in 1992. There never was a rainout and 78 was the high number of golfers for one day, July 29.

The tournament winners were:

First Flight Phil Bloyer - 60
 Second Flight Joe Steele - 63
 Third Flight Bill Hassberger - 62
 Fourth Flight Bert Henderson - 64

Closest to Pin No. 6, Les Swanson 22 inches on Sept. 2. The scores were lower than 1992 but Jay Lowman was much closer on No. 6 in 1992 with 5 inches.

We are looking forward to 1994 with practice at the Golfdome starting Thursday, Jan. 6, 9:00 a.m. Fee \$8.00

for two hours. Dates are Jan 6 and 20; Feb. 3 and 17; Mar. 3 and 17; Apr. 7 and 21 if Springdale isn't playable.

The pro will be available the first Thursday of each month.

Have a great winter and be ready for 1994!

The Isle Royale meeting is scheduled for Tuesday, Jan. 11, at 2 p.m. As always, members, applicants, wives and guests are cordially invited.

Root Triggers Computer Talk

The Computer Group closed 1993 with a fine presentation by Ben Root on his use of APL ("A Programming Language") to produce the Investment Group's Stock Game report.

This stimulated a general discussion of investment tracking with contributions from Joe Maertens and John Caplan.

There was unanimous agreement that there would be no meeting in December.

The obsolescent Chairman thanks all computer heads for their fine support in 1993. The Computer Group will start the new year with Chairman John Caldwell and Vice-Chairman John Prior on January 18 at 2:30 p.m.
