

THE REMINDER  
November Issue

Vol. III - No. 8

November 4, 1969

PRESIDENT'S MESSAGE

This is the start of a new year for The Reminder, as our first issue was in October, 1968. It is the hope of our editor, Ken Clark, that he will have more of a contribution from the group in this new year. Please get behind this publication and ease the burden on Ken.

I mused upon the Pilgrim flock  
Whose luck it was to land  
Upon almost the only rock  
Among the Plymouth sand.  
Alden C. Spooner - 1846

And therefore, I, William Bradford  
(by the grace of God today,  
And the franchise of this good people),  
governor of Plymouth, say--  
Through virtue of vested power--ye  
shall gather with one accord,  
And hold in the month of November,  
thanksgiving unto the Lord.

Margaret Junkin Preston  
1820-1897

In Flanders fields the poppies blow  
Between the crosses, row on row.  
John McCrae - 1918

It is a fearful thing to lead  
this great peaceful people into  
war, into the most terrible and  
disastrous of all wars, civili-  
zation itself seeming to be in  
the bal-nce. But the right is  
more precious than peace, and we  
will fight for the things which  
we have always carried nearest  
our hearts--for democracy, for  
the right of those who submit  
to authority to have a voice in  
their own governments, for the  
rights and liberties of small  
nations, for a universal dominion  
of right by such a concert of  
free peoples as shall bring  
peace and safety to all nations  
and make the world itself at  
least free.

Back in the good old days, you never heard of God recalling a horse because of faulty steering, bad brakes, or missing bolts.

-----

A vociferous woman got on a transit bus and told the driver "let me off at Broadway". "Certainly, madam", he said politely. Every three blocks, the woman kept reminding the driver not to forget to let her off at Broadway. Finally she asked, "How will I know when I get to Broadway?" "By the smile on face, lady," said the annoyed driver.

-----

"I don't plan to get married until I find a girl just like the girl who married my grandfather," the bachelor said. "They don't make women like that anymore," complained his single friend. "Oh, I don't know," said the first, "Grandpa married this one just last week!"

Do not forget the possibility of a trip to Jack Miner's bird sanctuary at Kingsville, Ontario. Most appropriate time is the first two weeks in November, and the best time to see the show is between 3 and 4 P.M.

Recently, there was a discussion on the subject as to why "Hippies" came into being. It was the consensus that Hippies are generally children of the upper middle class, who have money available, given to them by their parents. This gives them the ability to protest against "The Establishment". They do not know what it is, but are sure The Establishment needs a change. Heretofore, these youngsters were treated with some form of parental discipline, but today, their position is supported by newspaper headlines.

Our expression of sympathy goes to the family of Mrs. Ruth E. Morgan, of 1750 Trailwood Path, Bloomfield Township, who passed away last week. She was the wife of Mr. Thomas C. Morgan a member of our Senior Men's group.
