POEM - JOHN MCPHERSON

Summer is here. The sun is high.
Golfers are out on the course.
Some return with feelings of pleasure
And others with deep remorse.

For some the ball goes long and straight
For others just short and high.
At times it dribbles along the ground
When you thought that it would fly.

Some play golf for they love the game
Some for a breath of fresh air.
Others play for the good of their health
Always, a crowd is there.

"AU REVOIR"

As you all know our past president, Deb Marcy, will be soon leaving us for his new home in the east to be with his family.

He has been a loyal supporter of this club, a good worker and has always been ready to lend a hand when needed and we will miss him.

We all wish him God speed and our very best wishes for health and happiness in his new home.

"The blue and white" spring commencement exercises at Stout State University was a special day in the lives of the Harry Stevens family. Jack Wiles, Director of Alumni Services at Stout State, Menomonie, Wisconsin, notified Harry Stevens that he had been selected to receive the Stout State University Alumni Distinguished Service Award. The award is given each commencement to graduates of Stout in recognition of distinguished service to their profession, community, state or nation which has brought credit to them and the University.

AN IMPORTANT REMINDER

We are publishing this item as a reminder to all our members and particularly the new ones that a new by-law was voted on and approved last year, which requires that all members must attend at least ten regular meetings in each calendar year, or lose their membership.

Some of our members are away in Florida, Arizona, etc. in both summer and winter, so all these people, as well as our other members, should check and make sure they have attended the required number of meetings in this calendar year.

If anyone knows of any member who has not attended enough meetings please draw this matter to his attention as soon as possible, as we are keeping an accurate yearly attendance record.

The Executive Committee

SENIOR MEN'S CLUB PICNIC

Again this year, we are deeply indebted to Moe Henshaw for providing the facilities of the Pontiac Yacht Club for our Picnic Friday, Aug. 13.

Festivities will start at 10 A.M., lunch at 12 Noon. Arrange your own bridge table and chairs. Cards and score pads will be furnished.

Les Wilder is Chairman of the event and Karl Sauskojus and Earl Bierbauer will do the cooking. The Menu: Hot Dogs, Relish & Mustard, Roll, or Cheese Sandwich, Sweet Corn, Coffee or Milk, Fried Cakes, Potato Chips, Ice Cream, all for the low, low price of \$1.00.

This is an excellent opportunity for our new members to get better acquainted. A map showing the location of the Club will be put on the bulletin board the latter part of July.
