

I hied me off to Arcady --
The month it was the month of May,
And all along the pleasant way,
The morning birds were mad with glee,
And all the flowers sprang up to see,
As I went on to Arcady.

PRESIDENT'S MESSAGE

Bob Watson reports that 63% of our members have contributed to The Community House Fund Drive. The drive will continue into May. Steve Teranes, our first vice-president, has charge of the telephone solicitations which will begin May 8. This has been a project of our club for several years. Steve has done an excellent job in organizing it for 1972. My thanks to Steve and Bob - and to all of you who have contributed.

COMMUNITY HOUSE FUND DRIVE

The Club's drive for funds for The Community House is progressing slowly. Out of our total membership, more than 1/3 have not made a contribution. As we all know, The Community House depends entirely on local contributions and does not get any funds from any other agencies for its support, so let's all get behind the fund drive and make it a success.

TO THE LADIES - OUR ROMANTIC PAST

The addition of lunches to our agenda presented some new problems to our organization in 1957. Henry Foley, an early member of the Board of Directors, recalls the decision of the Board to furnish sandwiches, cake and coffee at a reasonable price.

The Senior Ladies were kind enough to offer to serve the lunch. In fact, the lunch proved to be a catalytic factor between the Senior Men and Ladies and some romances and marriages ensued.

Our present staff of devoted volunteer young women are very easy on the eyes, and most helpful. Their services are gratefully appreciated by the members. The group has provided this essential service since 1957.

Thank you for your generosity, Ladies.
