THE WEATHER AND RELATED COMMENTS: Congratulations are hereby extended to our President, Earl Triplett, for his foresight in heading south in time to escape the Big Blizzard of '78. Our good wishes to the new Mrs. Triplett. So far this winter, two meetings have been snowed under: Dec. 9 and Jan. 27. With Earl's return, the membership expects an improvement in the weather.

SENIOR MEN'S BOWLING

The Senior Men's Bowling teams have completed four weeks of the second half of the season. Because of the number of men on vacation to warmer climates, we are badly in need of additional men to serve as substitutes on the teams. On Monday, January 30, only 33 men were out and our contract calls for 40 men each Monday. We urge additional men to sign up for bowling. A number of new men have indicated an interest in bowling who have not reported. Contact Ross Wagner and join the fun and good fellowship.

Our bowling banquet has been changed to Thursday, May 18th. Clear this date on your calendar.

The Bowling Committee:

Ross Wagner - Chairman

Walter Dreyer - Ass't. Chairman

Jack Decker - Treasurer

CAMERA GROUP

The next meeting of the Camera Group will be on Tuesday, Feb. 14, at 2:00 P.M. in the Cranbrook Educational Center. Mr. Carl Toth will offer a tour of their dark room facilities and will present slides taken by students and explain how these are used and evaluated.

To get there, drive down Lone Pine Road to Academy Way and park in the lot across Lone Pine from the schools. The meeting will be in the first building on the left (west) side of Academy Way.

This should be a very interesting presentation and we urge attendance of anyone interested in photography or in what goes on at Cranbrook.
