Vol. I, No. 2

November 1, 1968

THE PRESIDENT SAYS: My message to all of you is to exercise your privilege, something that few in the world have today. **GET OUT AND VOTE.** The statistics are astounding. In 1964, a Presidential election year, 38% of the eligible voters **STAYED HOME.** Get to the polls on November 5th.

(That was not the Prez, that was the Veep speaking. The Prez. went East. Ye Editor agrees, voting is a duty as well as a privilege.)

NOTICE to bowlers, golfers, shuffleboarders and others. Ye Editor is a recent member of the club and only knows a small percentage of the membership (he hopes to know far more). He was "conned" into this job by a couple of gentlemen (?) who thought this monthly was a good idea. I do too, but those gentlemen are slipping South, leaving the continuation of the REMINDER to me. If you want any notices or publicity in the REMINDER, please see that it reaches ye Editor or the Club Secretary in writing by the end of the last meeting in any month.

ITEMS OF INTEREST

The BY-LAWS were amended on October 18th to provide additional officers. We will now have a President, First Vice-President, Second Vice-President, Secretary, Assistant Secretary, Treasurer and Assistant Treasurer.

SAWTA CLAUS will be answering calls by area children at dates to be announced. Carl Sitta, Chairman and Dick Kalbfus, Assistant Chairman of this activity need help in answering the three or four phones which will be busy with calls. Phone them and volunteer for a two-hour stint at this service to kids.

VISITOR on September 27th was Mrs. Effie Hall, a former hostess, whom the elder members consider the "mother" of the organization. She was most welcome and we hope she comes again.

SPEAKERS in October were most interesting. Ken Hexman did a good job on short notice in filling in for John Bunnell and showing pictures of India with appropriate comment. One of Birmingham's commissioners, Mrs. Ruth McNamee, filling in for Mayor Ereck, told us of plans to solve the traffic problem in our city and at the same time beautify it. Camp Oakland was discussed by John Lee, Assistant Director. Bend issues for correcting water pollution and for recreation facilities in the State were explained as to their need for a positive vote at election time by William Wilkie of WSU Engineering School.

GOING SOUTH? - Leave your address with the Secretary, and also state if you wish the REMINDER mailed to you.

BOWLING (This should have been on page two). Every Thursday at 1 P.M., at the Elks Temple, 1451 E. Big Beaver Road, Troy. Reasonable rates.

LATE BULLETIN - Attendance on October 25th was an all-time record - 155.
KEEP IT UP!
