THE REMINDER
October Issue

Vol. V - No. 8

October 8, 1971

I hold to my heart when the geese
are flying---
A wavering wedge on the high
bright blue---
I tighten my lips to keep from crying:
"Beautiful birds, let me go with you."

Tentative plans are under way for a trip to Jack Miner's in Kingsville, Ontario. The most appropriate time is the first two weeks in November.

There are no topics available for October. The members have reported the September meetings to be very interesting and lively. If October offers the same challenge, perhaps you should join them.

BOWLING

On September 20th twenty-six enthusiastic bowlers started the 1971-72 season at the Bowlers Lanes on Coolidge Rd. The mild, fall weather is still attracting many of our bowlers to the golf course. We hope they soon will join us indoors.

Apologies to Clarence Davey---our report at the regular meeting on Oct. 1st neglected to give recognition to his score of 193 for the 3rd game on Sept. 27th. Good going, Clarence!

FOR OUR COUNTRY

Almighty God, who hast given us this good land for our heritage: We humbly beseech thee that we may always prove ourselves a people mindful of thy favor and glad to do thy will. Bless our land with honorable industry, sound learning, and pure manners. Save us from violence, discord and confusion; from pride and arragoncy; and from every evil way. Defend our liberties, and fashion into one united people, the multitudes brought hither out of many kindreds and tongues. Endue with the spirit of wisdom those to whom in thy name we entrust the authority of government, that there may be justice and peace at home, and that, through obedience to thy law, we may show forth thy praise among the nations of the earth. In the time of prosperity, fill our hearts with thankfulness, and in the day of trouble, suffer not our trust in thee to fail; all which we ask through Jesus Christ our Lord. Amen.
