

Tossing his mane of snows in wildest  
eddie and tangles,  
Lion-like March cometh in, hoarse,  
with tempestuous breath.

PRESIDENT'S MESSAGE

The first two months of 1972 have gone quickly and pleasantly for me due to the cooperation and help of the Executive Board and the committeemen. I appreciate the many good suggestions given to me by the members of our Club. We have had interesting and varied programs and, I know, this will continue for the remainder of the year.

The Community House Fund Drive is now in progress. I hope all of you will contribute as we receive much more from the Community House than we give.

Harold J. Simms

William Garrison noted this poem in "This England", Winter 1972. It has an inspired message, and we hope you will enjoy it.

IF YOU STAND VERY STILL IN THE HEART OF A WOOD....  
Patience Strong

If you stand very still in the heart of a wood,  
You will hear many wonderful things.  
The snap of a twig and the wind in the trees,  
And the whirr of invisible things.

If you stand very still in the turmoil of life,  
And you wait for the voice from within,  
You'll be led down the quiet ways of Wisdom and Peace  
In the chaos of sorrow and sin.

If you stand very still and you hold to your faith,  
You will get all the help that you ask,  
You will draw from the silence the things that you need,  
Hope and courage and strength for your task.

At the last Executive Board Meeting (Feb. 8, 1972), a motion was made and carried that The Reminder publish the following note - "The Treasurer's report is available to any member who requests to see it".

BOWLING NOTES

About 6 teams are staging a sizzling contest for the opportunity to battle the "Saints" on April 10th for the Bowling Championship. The "Hot Shots," led by Frank Williams, currently have the lead by one point over Bob Watson's "Moon Men", who jumped from sixth place to second place as a result of their sweep over the "Hippies" Feb. 21st.

Wes Groves has a commanding lead with his season Hi-Single and Hi-Three of 232 and 610 respectively. Wes also leads in averages with 168.

William Garrison challenged the leaders with his Hi-Single of 210 and Hi-Three of 563 on Feb. 21st.

John Daneke's "Swingers" took the team Hi-Three lead when they rolled a 1982 series.
