

SENIOR MEN'S CLUBS SPORTS BULLETIN

Don Howarth is anticipating a big Shuffle Board season. The Opening date will be announced at the club. Play will be every afternoon except Sunday, weather permitting.

Hugh Christiansen reports a good season for the pool enthusiasts however it seems there are some whose prowess with the cue would indicate either a misspent youth, or "how I paid my way thru college"

GOLF

Les Stegg informed me that Birmingham residents \$2.00 membership cards are available at Springdale and Lincoln Hills Courses. League play will start May 1st, at 9:A.M.

Please check the schedule of foursomes posted on the bulletin board. Note your Tee off time and the members of your foursome and consult with Geoff Whittaker, if you have any questions.

BOWLING

The season has been a great one, William Kreuger was the only one to break the coveted 600 series, however, there were many 200 plus individual games, also 100% attendance record.

Chas Nightengale, the "Mickey Mantel" of the bowling league, has on many occasions, while swathed in bandages, struggled to the foul line and rolled a strike to save the day. In fact he has practically carried the team thru the season.

We had three matches with the Grosse Pointe club, and while we came out on the short end taking 1 out of three, we met a nice bunch of fellows, and probably started a precedent that could be continued be continued for a long time.

A quick look at the league standings are:

Astros	49	Whittaker	Cunners	39	Groves
Sleepers	46	Dreyer	Satelites	37	Bryant
Moon Men	43	Hartsuff	Sharpshooters	34	Splitts
Bombers	40	Daneke	Missles	34	Stevenson

High average	Low Average
Frank Rigotti..165	Seth Slawson .. 106

Clarence Johnson made some kind of a record when he made the 4 - 10 split.
