LOOKING BACK TO SEPTEMBER - 1957

- In 1957, our first Fall/Winter season opened on September 6th downstairs in "The Ranch Room." Our membership at this time numbered 55 men, 31 of whom attended the meeting.

On the day before, we were guests at the Michigan State Fair. We were given passes for members and their wives - 16 people went to the fair and "I was there."

Transportation was provided by four of us and the passes included free parking.

Nine new members were added to our roster at this time. We enthusiastically participated in Bridge, Shuffleboard and Golf. We had no organized Bowling as yet.

Then as now, the ladies of the Community House served our lunches. Mrs. Fred Gould chaired this activity with the help of Myra Showman, Carol Hollingshead, Elaine Dobson and others, some of whom are still doing it.

"Ladies is great things."

Remembered with the aid of my scrap book - Henshaw (Historian).
