PRESIDENT'S MESSAGE

It certainly was a pleasure to have had the co-operation of the entire membership and their wives for our success at the Annual Ladies' Day Luncheon. The attendance was the largest we have ever had for any such events.

The Program Committee has planned several very fine programs for the last two months. We hope you will all attend our meetings.

THE DISCUSSION GROUP

The topics for the Discussion Group will be announced at the general meeting the previous Friday.

John McPherson, Chairman

THE DISCUSSION GROUP

Sometimes we discuss  
Sometimes we debate  
Sometimes we tempt fate  
When we pontificate.

Sometimes we rejoice,  
Sometimes we bemoan  
But always try to cultivate  
A reasonable tone.

Oftimes we don't agree  
Which is as it should be,  
What might be mine, may not  
Be just your cup of tea.

Thru personal experience  
Life adds a piquant note  
When it is used to illustrate  
An interesting anecdote.

(The Discussion Group Cont'd)

Some talk, some listen,  
Some do both.  
If you come down, you can choose  
When to talk, when to listen.

John McPherson

NOTE: We thank you, John, for plan-  
ning  
Such stimulating hours,  
The group will be discussing  
Your enigmatic towers.

DECEASED

The members were shocked, and deeply grieved, to learn of the sudden death of Raymond Cecil. His contributions to The Eccentric, and the resulting favorable publicity for the Club, have been outstanding. He will be sorely missed. He will also be long remembered by our hostesses and by the Club members for his thoughtful consideration in arranging Christmas gifts and a Christmas party for the lovely ladies.

CAMERA CLUB - R. E. Kropf, Chairman

The next meeting of the Camera Club will be at the home of Mr. & Mrs. Oscar Anderson, 910 Rock Spring Rd., Bloomfield Hills, at 2 P.M., Tuesday, Nov. 9. Camera Club members and their wives are invited to a preview of the Nov. 23 show.

BOWLING NOTES

Due to an assist by the weatherman, we had a good turnout for bowling on October 25th.

When the smoke of the battle cleared away, the "Tigers" captained by Clarence Davey, emerged as leaders of the pack with a total of 12 points, followed closely by the "Moonlighters" with a total of 11 points.

In the battle of averages, Walt Dreyer led with 169, followed by Splitts, Whittaker and Groves at 159 and Davey at 158.

"Moe" Henshaw demonstrated how easy the game of bowling is by converting three splits (2-5/7 and 1-5/10).

Our Jack Miner trip ran into difficulties due to the blockage of the Ambassador Bridge by Canadian students in protest of the coming atomic bomb test. We had two full bus loads and for three hours were tied up at the bridge. Obviously, we were way behind our schedule and, consequently, when we finally arrived at Jack Miner's, most of the birds were somewhere else and the show had been over for two hours. However, there was one pleasant note, and that was a delicious smorgasbord at the Lakeshore Terrace Hotel.

Tentative plans are underway for the Ice Follies Thursday, November 18th, at 7:30 P.M. We have less than forty signed up now and need fifty to fill a bus, so show your intentions today.
