Heap on more wood! --the wind is chill;
But let it whistle as it will,
We'll keep our Christmas merry still.

Sir Walter Scott

PRESIDENT'S MESSAGE

Our attendance has been over 200 for the last 4 weeks, and we believe it was partly due to the excellent programs worked up by the chairmen. We also know that we still have several excellent programs coming up. One in particular will be on Tuesday, December 14th, when we show our appreciation to our Hostesses for the year. On the same day, we also have a group of singers from the Bloomfield Lahser High School, who have given us very fine programs for the last 2 years.

I also wish to thank all of the chairmen of various committees for doing an excellent job and to wish all our Members and their Families a very fine Holiday Season and the best of everything for a Happy and Prosperous New Year.

Bill Splittstoesser

Our Special Events this year included bus trips to Greenfield Village, Song of Norway, two bus loads to a Tiger game, two trips to Meadowbrook, Arthur Feidler and the Winnepeg Ballet, two buses to Jack Miner's Sanctuary and at home the Ford Continentals.

The last event is Tuesday, December 21, at The Community House when the Detroit Edison Glee Club will entertain us. This will be a cabaret style affair, so please arrange to make up a table with another couple. Dinner will be served at 6:30, entertainment at 8:00, followed by cards or whatever you wish. It is the last affair for 1971, so please get on the band wagon and sign up early.

Vern Bryant

HOSTESS DAY

As most of you know, we have a "Hostess Day" each year, and we present each one of them with a small gift of appreciation for their wonderful service to this club. We want them all to know we are very lucky to have such a great group look after us so well, and we love every minute of it.

The last few years, Ernie Cecil, our late departed friend, has taken care of purchasing these gifts and distributing them on Hostess Day. He enjoyed doing his part in this tribute to the Ladies and always did a very fine and competent job down to the last detail. When he died so suddenly this year, we didn't think he had started the job, but when we checked, we found he had completed all the details and everything was done in his usual very thorough way. We are sure he took this pleasant memory with him on his last long journey.

There has been a scarcity of 500 Series and no games over 200 for several weeks. No doubt we will have an explosion in both categories soon.

Dreyer's 541 and Ansama's 204 remain high for the season thus far.

The belief that youth is the happiest time of life is founded on a fallacy. The happiest person is the person who thinks the most interesting thoughts, and we grow happier as we grow older.

YES, VIRGINIA, THERE IS A SANTA CLAUS

Your club will continue its sponsorship of the Santa Claus Answering Service which has been an appreciated gift to the community. Dick Dewey, chairman, and Harold Simms, co-chairman, are testing the members for their ability to convey hearty "HO, Ho's". We will have three phones instead of two. The number is 642-1722. The dates are Dec. 13 through 17, Monday through Friday, from 3 - 5 in the afternoon.

Press releases are being forwarded to the Birmingham Eccentric, Pontiac Press and Royal Oak Tribune.

Station WHFI will give spot announcements.

Twenty-two fellows are needed. If you can serve, contact Dick Dewey in the lobby after the meeting today, Dec. 3.
