THE REMINDER
A Publication of the Senior Men's Club
of Birmingham, Michigan

Vol. IX, No. 6

June, 1976

The summer days are come again;
Once more the glad earth yields
Her golden wealth of ripening grain,
And breath of clover fields,
And deepening shade of summer woods,
And flow of summer air,
And winging thoughts, and happy moods
Of love and joy and prayer.

Samuel Longfellow

And what is so rare as a day in
June?
Then, if ever, come perfect days;
Then heaven tries the earth if it
be in tune,
And over it softly her warm ear
lays.

James Russell Lowell

This world is very old, we see;
We do not comprehend it,
But in one fact can all agree:
God won't, and we can't, mend it.

Arthur Hugh Clough (1862)

CAMERA CLUB - Philip C. Satterthwaite, Chairman

On June 8th, we will have a field trip to the Cranbrook Gardens which is located at 380 Lone Pine Road. This address is on the north side almost directly opposite Christ Church. Senior citizens are admitted for 50¢. You will be met at the parking lot and given instructions. You can take all the pictures you want in the gardens. No pictures are allowed in the house. The Program Committee has selected six locations they want everyone to photograph. All slides will be reviewed at our October meeting.

You are invited to bring your ladies. There is an extra charge of \$1.00 to visit Cranbrook House which is an excellent example of a life style which no longer exists. The committee will arrange for a guide for the tour of the house if there are at least 10 people who want to take the tour.
