THAT WHICH WAS (A Notable Special Event)

Those SMC members who visited Art Lane's "Antique Woodworking Tool Exhibit" enjoyed an extraordinary look at old tools and explanations of their uses. All expressed amazement at the depth and range of his collection, both during and after the visit which was our special event Friday, September 13.

BOWLING SEASON IS UNDER WAY --by LES SWANSON

For the three weeks of September we had 50, 51, and 56 bowlers (including subs) each week. Without the fine showing of the subs many teams would have been short handed. Thank you, subs - keep up that good attendance record.

As expected, the first week scores showed, that our bowlers still had their golf swings. The second week was a "shoot-out" both team and individual high scores. For the third week the scores hit the skids; most scores lower than the first week.

Team No. 1 is the pack leader, winning 10 out of a possible 12 points. Team No. 2 has high game and series at 686 and 2002 pins. Big guns for Team No. 2: R. Swartz rolling 212 and 592 series, with H. Sulewski a nice 209 and 542 which accounted for the team high scores. Last week the individual high game of 215 pins was rolled by C. Lopata, one of the premier subs. Regular bowlers, please let your team captain know when you can't bowl. Team captains can then select an available sub for those bowling that Monday, Subs will be on a "first come-first served" basis. Let me know when a team bowler will be missing more than two weeks, so you'll be assured of having a full team during that time. I'll try to assign a sub to keep your team average in line with the other teams.

O.K. bowlers, golf is finished so let's see high scores for the next four weeks.

Play begins at 9:30 every Monday morning at the Birmingham Bowl, but you're requestd to be there ahead of time.
