## Summer Boat Cruise

The Special Events Committee has planned a wonderful evening dinner cruise aboard the Diamond Belle Cruise Ship for Wednesday, July 21, 2010. By the time you receive this newsletter, we will have sold the first day of tickets. We have three buses reserved (168 passengers) which the boat can handle nicely. Starting July 2, we will offer tickets to members and non-member guests until the ticket allocation has been depleted.

We will leave from the First Presbyterian Church on Maple Road in Birmingham at 3:45PM. The cruise around Belle Isle and down the Canadian shoreline will last three hours. Light beverages and a cash bar will be available throughout the cruise. There will be a chef carved roast beef buffet dinner served that includes salad, vegetables, pasta, rolls and dessert. We will be entertained by the Louis Johnson Jazz Trio from Ann Arbor for listening and dancing.

Tickets are \$45 per person. Call Jim Judge, Event Chairman at 248-709-3429 if you have any questions. Don't forget your cameras and "we'll see you on the boat."

—Jim Judge

## Fund Drive Update

Special thanks to the 54 new donors to The Community House Annual Fund Drive. We are approximately at the same dollar amount for giving as we were last year at this time. Our donors have been most generous during these challenging times. The Community House and the Senior Men's Club thank you.

Meanwhile, there are 95 of you who had given last year before this time and have not yet given this year. We hope "the check is in the mail!" We are optimistic that the economy will pick up soon. Our friends in the Investment Group are looking forward to a summer rally. This is a difficult time in the Detroit area and The Community House needs our support to fulfill its mission of meeting the changing needs of our community.

—Jack McLaughlin

## Photographer Needed

*The Reminder* is looking for a photographer to join our team. The principal responsibility is occasionally taking pictures of new members and/or speakers at Friday meetings.

If you might be interested or have any questions please contact Dick Harper at 248-642-4992 or RNHarper32@comcast.net. Thanks for your consideration.

# Groups

## Classic Movie Group

"Treasure Island" is the 1934 film adaptation of Robert Louis Stevenson's famous 1883 novel to be shown by Chuck Kirkpatrick on Monday, July 12 at 1:00PM. It is the first and best film to capture the spirit of the book under the direction of Victor Fleming (who also directed "The Wizard of Oz" and "Gone with the Wind"). This is a high seas adventure about pirates and buried treasure on a remote island starring Wallace Beery, Jackie Cooper and Lionel Barrymore guaranteed to restore your youthful spirit, if not your mind or body. Please come with your designated driver.

—Augie Perrotta

## Book Reading Groups

On Wednesday, July 7 at 10:30AM, we will discuss "What Would Google Do?" by Jeff Jarvis. The author is a columnist and media blogger, who presents his impressions as to how Google has succeeded in harnessing the power of the internet in an era of customer-driven information processing with benefits for individuals and corporate entities.

On Monday, July 19 at 3:00PM we will discuss "Sarah's Key" by Tatiana de Rornay. This is a fictional account of how a young Jewish girl is arrested by the French police in 1942 and experiences every horror of the Holocaust, including separation from her family and imprisonment in camps of savagery. The book is described as "beautiful, painful to read and compelling - a story of France's darkest days."

# Games

## Thursday Golf

THE GAME IS ON! The next few Thursdays are critical dates in the competition to end the Thursday Golf season with the lowest gross score. Jim Doyle has dominated the league by consistently scoring in the high thirties. In the last two weeks major competition has arrived. On June 10 Don Foehr scored 38 and on June 17 Kirby Callam scorched Springdale with a 36. The Committee is considering setting up an office pool to wager on who will win this highly coveted title.

Mark your calendars. The Thursday Golf Tournament will be August 26, September 2, and September 9. Brief rules:

- Best two (2) consecutive 9 hole rounds (not best two of three)
- Each player must have completed 4 rounds of play by August 19
- Hole all putts. Gimmies cannot exceed 6 inches (length of folded scorecard)
- Red tees on holes 3, 5, and 9. White tees on all other holes
- Players age 80 and older may use all red tees
- One mulligan on hole #1
- Handicaps from Lincoln Hills may be used

The Stonycroft Scramble and luncheon will be on Tuesday, September 14. Tickets will go on sale July 23. Price to be determined.

Hit them high, hit them long, and hit them straight.

—Chuck Travers

## No Hard Copy

We continue to benefit from readers who decide that receiving *The Reminder* by email works for them - in color and almost a week sooner than conventional mail -and they tell John Steele he can drop them from the mail list.

Our thanks to John Marsh, Al Gladner, George Mosher, Karl Klipfel, Wynn Bussmann, Dick Moxley, Bob Babcock, John Kary and Bob Chandler. Any more out there? We save nearly \$1 a copy in printing and postage expense.

## To Hell and Back— A Fun Filled Experience

Has anyone ever told you to “Go to Hell?” Well, now is your chance to find out just where Hell is and how the town got its name.

Founded in the early days before the Civil War, the little town of Hell, Michigan is hidden from the world about midway between Howell to the north and Ann Arbor to the south. It hasn't changed much, in fact for years the population of Hell has remained around 74 people.

Now is your chance to attend this memorable Special Event trip “To Hell and Back” on Wednesday, September 22, 2010 with our deluxe 56 passenger bus leaving the Birmingham Presbyterian Church parking lot at 9:45AM.

Features of the trip include:

- Lunch “on your own” at Hell’s humorous Dam Site Inn, which offers a variety of tasty entrées including buffalo burgers.
- Circle bus tour of the Hell area, narrated by a local authority. Includes the unique TMZ buffalo ranch, outstanding Pinckney Recreation Area and historic Unadilla Store along an old Potawatomi Indian Trail.
- Screams Ice Cream and Halloween Store--a spooky shop where our group is to receive complimentary ice cream and favors as part of the “tour package.”
- Quaint Hell Country Store, complete with U.S. Post Office, where shoppers can send greeting cards to people bearing the Hell postmark.

By mid afternoon, the bus will leave Hell and follow a scenic route through Brighton arriving back in Birmingham by 5:00PM.

Ticket price for this fun-filled event---only \$25. Tickets will go on sale at our annual SMC picnic in August. A stand-by wait list will be maintained.

Don't miss out on this fun-filled trip to Hell. See you on the bus!

—Committee: Tony DiMarco, John Horiszny, Jack Howell, Stu Shuster and Don Upward

## Senior Health Matters— Herbal Medicines and Dietary Supplements

Sixty percent of Americans use “alternative” medicines for a variety of treatment and preventative purposes even though no regulations by the Food and Drug Administration regarding their effectiveness, ingredients or quality exist for herbal medicines and dietary supplements.

Major concerns are the potential for adverse effects and prescription medication interaction. Dietary supplements have multiple pharmacologically active ingredients and the likelihood of interactions is increased when compared with the likelihood of interactions between two prescription medications that would readily be detected by a pharmacist. The most common prescription medication classes with a potential for interaction are anticoagulants, sedatives, antidepressants and anti-diabetic agents. The most common dietary supplements with a potential for interaction are garlic, valerian, kava, ginkgo biloba, St. John’s wort, glucosamine, ginger and ginseng.

Several factors have contributed to herbal medicine’s rising popularity in the US: cultural, especially among Asians and Latinos, the rising cost of prescription medication, the perception that the side effects of herbal medicines are mild compared to many prescription or non-prescription drugs and the continuation of the “green” and “natural” movements of the 60s as reaction against the products and pollution of an industrialized society.

Before you use any herbal “medicine”, dietary supplement or over-the-counter medication, consult your physician and pharmacist to prevent a potential clinically significant interaction especially if you are on warfarin (Coumadin) or anti-platelet agents such as Plavix or aspirin.

## Annual Picnic at the Yacht Club

The Senior Men’s Club annual picnic will be at the Pontiac Yacht Club on Tuesday, August 17, moved forward from the end of August to accommodate the members who take vacations over the Labor Day holiday.

The festivities start at 10:30AM with a special interest car display and games including two golf challenges, bocce and lawn darts with prizes for the winners.

Lunch will be at 12:00PM noon, and as last year, we are having a pig roast prepared by D.J.’s Meats, one of the area’s premier picnic food vendors. Grilled chicken will also be available for those who prefer chicken. Sides will include baked beans, a variety of salads, bread, drinks, and of course, ice cream.

The Straw Hat Band will provide the entertainment starting at 1:00PM. They know the music we all like and they perform it well.

Following the entertainment there will be a drawing for prizes: discounts at local, upscale restaurants. All in all, the annual picnic is a great way to end the summer with good friends from the Senior Men’s Club.

Tickets will go on sale on July 9. The price is \$15, a real bargain for what you get!

Maps with directions to the Pontiac Yacht Club in Keego Harbor will be available. If possible, share a ride to conserve parking spaces. Bridge players are welcome to use the tables and chairs at the Yacht Club or you can provide your own.

# Mystery Lyrics

Last month's musical challenges proved to be the most difficult ever. We asked if you could identify the song where Ira Gershwin managed to rhyme the words "Yonkers" and "conquers."

Only one reader - Bill Sprague - recognized that this song is "Who Cares," with these lines:

*Who cares if banks fail in Yonkers  
As long as you've got a kiss that conquers  
Maybe in those days, banks failing  
wasn't as prevalent.*

The second question was even more baffling - no one remembered that Johnny Long's signature tune and million seller was "In a Shanty in Old Shanty Town." Maybe these opening lines will jog your memory banks:

*It's only a shanty in old shanty town  
The roof is so slanty it touches the ground  
But my tumbled down shack  
by an old railroad track  
Like a millionaire's mansion  
is calling me back*

OK, let's hope this month's challenges are somewhat easier. Here are the opening lines from an old Hoagy Carmichael song:

*It's not the pale moon that excites me  
That thrills and delights me*

Can you name that tune?

For a second challenge, here's a question that Bob Seeley often uses with his audiences - who wrote that great swing classic "Sing Sing Sing?" Hint: he was married to and performed with song stylist Keely Smith (what - you never heard of her?)

—Dick Harper
