THE REMINDER  
September-October Issue

Vol. V - No. 9

September 22, 1972

The tents of Autumn - a mighty  
flower garden, blossoming under  
the spell of the enchanter, frost.

Whittier

I hold to my heart when the geese  
are flying---

A wavering wedge on the high  
bright blue---

I tighten my lips to keep from crying:  
"Beautiful birds, let me go with you."

--"Wild Geese" - Grace Noll-1877

O suns and skies and clouds  
of June,

And flowers of June to-  
gether,

Ye cannot rival for one hour  
October's bright blue  
weather.

--Helen Hunt Jackson
