And what is so rare as a day in June?
Then, if ever, come perfect days;
Then Heaven tries the earth if it be
in tune,
And over her softly her warm ear lays.

GOLF NEWS

With golfing weather here now, we have 72 players signed up - 66 played Thursday, the 18th. Our foursomes are pretty well lined up as to when they tee off and our season is well under way.

Starting June 1st, scores will be recorded to determine a handicap for each player. Please print names on score card so that it will be legible to the score keeper. Total up the card and turn it in to the pro shop in a box for that purpose.

We have been requested by the Birmingham Recreation Dept. to observe the rules. Please replace divots, smooth out sand in traps, and keep your foursome up to proper place on the course.

Dan Watts has contributed a poem for this issue. He tells us that it was written by a man in his eighties, who lives downstairs:

THE POWER OF A SMILE

The adage: "Smile and the world smiles with you"--

How much is a smile worth?
It breaks barriers around the earth.

A smile does more than give a tonic
as a basis,
It lessens hatred among the races,
It brings peace and joy creeping
into faces.

It creates prosperity
Not just flowers in vases -
It brings peace and justice to all,
It keeps nations together, and
prevents their fall.

Thru the ages swords and weapons
held nations at bay,
Faith in the Creator will bring
Peace on any day.

Intelligence and science must
render their part,
The power of smiles comes direct
from the heart.

Just keep on smiling, and never
stop trying,
Time and effort are tools on call,
So never give up -
It's a challenge for all.

So smile in the morning, noon and
all day thru -
It will bring you blessings of joy
and happiness too.

- E. N. Waleen

"What does the bride think of when she hears the Wedding March begin?"

"Aisle, altar, hymn!"

I venerate old age; and I love not the man who can look without emotion upon the sunset of life, when the dusk of evening begins to gather over the watery eye, and the shadows of twilight grow broader and deeper upon the understanding --
