

# The Reminder

August 2013

Senior Men's Club of Birmingham, Michigan

August is a month of reduced activity for the Senior Men's Club. We do not hold Friday meetings and the Executive Board does not meet. Although SMC activities in August are limited, TCH of course, will be fully open. In addition, a full issue of *The Reminder* is not published. However, a number of club activities do continue in August. In this brief issue of *The Reminder* we have included those activities plus some other upcoming fall activities which members should be aware of:

## PROGRAMS

For the first Friday program after our break, Walter Czarnecki, President and CEO of Penske Motorsports, will discuss "The History and Overview of Penske Corporation" plus current Motorsports activities, including the recent development of a "hotter than hot" Ford Mustang GT - available for rental at selected Hertz airport locations for up to \$800 per week.

### SEPTEMBER 13

The Program Committee has scheduled other outstanding speakers for the fall.
