The Reminder

Senior Men's Club, Birmingham, Michigan

PRESIDENT'S CORNER

July 2023

The old saying"time flies when you're having fun" is certainly true in my case. I feel truly blessed to have led such an august group of men for the first half of 2023 and look forward to the next 6 months.

When I set my 2023 goals for the Senior Men's Club of Birmingham prior to becoming President, I decided that I wanted to do my best to increase membership. I was pleasantly surprised that at several Friday meetings many of you brought a guest. I was even MORE delighted that many of the guests immediately completed their application and paid their dues. We have added 47 new members since the first of the year – THANKYOU. Sadly, many of our members have passed away or resigned, but still, total membership is at the highest level in years! We currently have 566 members enjoying what our premier organization has to offer.

Friday meeting in person and Zoom attendance continues to also be at record levels. We recently had to close attendance to those who had not registered to attend the meeting due to capacity issues. We continue to review each meeting to ensure all aspects of the Friday meeting (business summary, speaker presentation and luncheon) live up to your expectations. As Alternative Meeting Site Committee Chairman, I wondered in 2021 if we could ever fill the Iroquois Club to capacity. But now, we might have to initiate a "first come first served" RSVP policy that would mean men would be turned away from physically attending the meeting, but would be able to "attend" via Zoom. Robust attendance, thanks to the great speaker lineup, has us looking at this and other alternatives.

I noticed that many of us brought "old habits" to the Iroquois Club. The main "habit" is to sit with the same friends each meeting. I'm sure conversation centers around "what's new since last week?" however, there are over 100 men that would like to meet and learn more about you as individuals. To that end, I instituted a "luck of the draw" seating assignment for the last Friday meeting of each month. The reaction to this

random assignment has been well received and several men (new members primarily) have asked that we do it more often; I continue to ask for feedback, both good and bad, on all aspects of the meeting so that is indeed a possibility.

Work continues on our Strategic Plan. The Governance committee has recently completed the re-write of the SMCB Procedure Manual and our Board of Directors will review the details for approval.

As the year has gone on, the Club has increased community involvement. Several mentors are involved with SCORE to share their knowledge with business owners as they start their career. Others were involved with the Habitat for Humanity's "Rock the Block" in Pontiac and are looking forward to the South Evergreen neighborhood of Southfield event on September 18th – 22nd.

Attendance at committee held meetings at the Baldwin Library is also growing as more members volunteer or attends various meetings.

My hope for the second half of 2023 is that we continue to grow our membership, increase community volunteerism and continue to enjoy each other's friendship.

POSH GULATI—AN EXEMPLARY SMCB MEMBER

Our esteemed friend, colleague, and dedicated chairman of the Visitation and Health Committee, Dr. Subhash "Posh" Gulati, is not just another jovial and compassionate character at our Friday meetings. No sir. All of you who play Friday afternoon Bridge know him as a serious student of the game and a worthy opponent. But did

you know he has earned the elite status of Emerald Life Master, the ranking bestowed by the American Contract Bridge League several years ago?

"Posh" has amassed 10,060.27 ACBL Masterpoints (MPs), a milestone which ranks him 937th out of 127,362 players! He ranks 24th among 6,500+ District 12 players in Michigan, northern Ohio and Indiana, and a solid 4th among the 875 members of a more local Unit 203. Outstanding, you'll agree.

He needs a National Victory of a minimum 2-3 day event at NABC level to become a Grand Life Master, joining the other 900 in the country. Our town's biggest MPs holder, Bert Newman, Posh's bridge mentor, has more than 25,000 MPs, but lacks the National Victory needed to be a Grand Life Master.

Following a life altering back injury and inspired by his father, his tennis partner and physician colleague, Posh took up bridge at the tender age of 48! The fact that wife, Kiran, declared she'd had enough of being a tennis widow over the prior fifteen years helped Posh make the right decision.

Posh has served six years as District 12 president, nine years on the national Board of Governors, a Unit member for more than 20 years and Unit president for more than 10 years. He is a qualified teacher, director, club owner and winner of many events and trophies. But that national victory needed to become a Grand Life Master still eludes him.

Our friend estimates he has spent over six figures in pursuit of the pinnacle of the game he loves. When he is not playing bridge, he is thinking about playing bridge and solving bridge riddles in his sleep.

Hearty SMCB congratulations to Posh on this remarkable milestone and well-earned achievement!

VISITATION AND HEALTH COMMITTEE (VAHC) CORNER

In our monthly Visitation and Health Committee corner article, I would like to recognize John Skubik, our Vice Chair and last month's Chair. He is a seasoned professional who has served in this capacity for many years. John's reports are top-notch, always timely and respectful. He has a keen eye for detail, ensuring that every report is done justice.

We appreciate John, even when he's away in California during winter months. His Reminder article last month shows the kind of generous and caring individual he is. We'd also like to extend our congratulations to him and his wife, Mary, on their 54th wedding anniversary!

July Monthly Chair Joel S Adelman: j1060n@gmail.com; 248-891-2424 Joel will take over on July 1.

Deceased Memorial Fund

1) Members are so generous! We collected 578 dollars in the Blue Box so far this month. Thank you members.

2) (At the time of this article)), We unfortunately lost three Elder members of our SMCB community:

Luis R. Robbins (93),

Roy Halmhuber (96),

and Bob Klein (93).

Our thoughts are with their families during this difficult time, and we are actively communicating with each of them.

Paul (Kovceses), SMCB president, attended Bob Klein's funeral service at his daughter's request, and I had the privilege of meeting Roy Halmhuber's son, Gordon, at his funeral service. Gordon proudly showed me his father's photo with the SMCB clip attached on his hat. (Displayed prominently in the Visitation room)

A couple of things I observed during my visit with Gordon, one good and proud, and one not so!

Firstly, I learned that Gordon's dad had been present when the island of Yap was handed over by Japan in WWII. Per Gordon, dad was holding a gun at the entrance gate, but he hadn't fired a shot in life and didn't know how to do so! (Please don't tell anyone!)

Secondly, Roy was sharp as a whittle till his end but hadn't attended the SMCB meetings or activities in 10 years due to mobility issues, which is concerning.

Something to ponder over and consider as a topic in the annual meeting on September 5th at Baldwin Library!

MONDAY AND WEDNESDAY READING GROUPS

The two books scheduled for discussion in July will stimulate further discussion about World War II and modern China. Buzz Bissinger's The Mosquito Bowl helps us better appreciate how individual lives were impacted by the wartime decisions made by leaders of the government and the military. Michael Buckley provides an in-depth look at China's impact on Tibet.

While we traditionally conduct our discussion via Zoom, the Monday group decided to move the July 17 session to the Baldwin Library with a Zoom option. Swarn Rajpal, who will lead that session on Meltdown in Tibet, has arranged for Martin Rowell to join us to share his experiences in Tibet.

Wednesday, July 5, 10:30 AM: The Mosquito Bowl: A Game of Life and Death in World War II by Buzz Bissinger. New York: Harper-Collins, 2022.

While the actual game played on Christmas Eve 1944, Is only a small part of this book, Bissinger does a wonderful job of introducing us to a group of young marines who were truly part of "the greatest generation". Many of these men were talented college and, in a few cases, NFL football players whose athletic and professional careers were put on hold during their service in the Pacific leading up to the invasion of Okinawa.

From the NY Journal of Books: "The Mosquito Bowl will make you laugh, will make you cheer, and will make you cry. It makes you wonder at the valor and honor of men willing to sacrifice themselves for others. Men who, for one afternoon on a Godforsaken island in the South Pacific in the midst of a war, could put their fears and trepidations aside for a few hours and do that which they loved doing the most: play football."

Bob Maxfield will lead his discussion.

Monday, July 17, 3 PM: *Meltdown in Tibet: China's Reckless Destruction of Ecosystems from the Highlands of Tibet to Deltas of Asia* by Michael Buckley. New York: St. Martin's Press, 2014.

From the publisher: "Tibetans have experienced waves of genocide since the 1950s. Now they are facing ecocide. The Himalayan snowcaps are in meltdown mode, due to climate change—accelerated by a rain of black soot from massive burning of coal and other fuels in both China and India. The mighty rivers of Tibet are being dammed by Chinese

engineering consortiums to feed the mainland's thirst for power, and the land is being relentlessly mined in search of minerals to feed China's industrial complex. On the drawing board are plans for a massive engineering project to divert water from Eastern Tibet to water-starved Northern China."

From Forbes.com: "Meltdown in Tibet is an instructive book on the roof of the world. Its documentation is impeccable, and it deals with Tibet seen from a rarely tackled angle: its role in world climate."

This book was nominated by George Stern and the discussion will be led by Swarn Rajpal.

based in Washington, DC. It is committed to is conducting high-quality, independent research and, based on that research, to provide innovative, practical recommendations that advance three broad goals: Strengthen American democracy; Foster the economic and social welfare, security and opportunity of all Americans and Secure a more open, safe, prosperous and cooperative international system. (From the Brookingwebsite) This discussion will be led by Roger Timm.

...LOOKING AHEAD TO AUGUST...

Wednesday, August 2: The First Tycoon: The Epic Life of Cornelius Vanderbilt by T.J. Stiles (Jim Zyla)

Monday, August 21: *My Autobiography* by Charlie Chaplin (George Stern)

On Monday, July 10th at 1:00 PM, via Zoom, Jon Haber will present the 1961 neo-western drama "The Misfits" (2 hours / 5 minutes) directed by John Huston, written by Arthur Miller, and starring Clark Gable, Marilyn Monroe, Montgomery Clift, Thelma Ritter, and Eli Wallach. The story centers upon Monroe, a newly divorced woman who arrives in Reno, and her relationships with her landlady (Ritter), an old-school cowboy (Gable), his best friend (Wallach), and their rodeoriding buddy (Clift). Each of the men become immediately infatuated with Marilyn upon meeting her and this, in turn, sets up some intense rivalry between them.

"The Misfits" did not do well at the box office at the time of its initial release but received critical acclaim for its script and the actors' outstanding performances. Its reputation has shifted over the years, and many critics and movie buffs now consider the film to be a masterpiece and one of the best films of the 1960's. The movie holds a 7.2/10-star rating with the IMDb and a Rotten Tomatoes score of 97%

This film also captures the last performances of both Clark Gable and Marilyn Monroe. Gable passed away twelve days after the filming ended, while Monroe died about a year and a half after the film's release.

A preview of the movie is now available by pressing the Movie Preview Button on the Club's Homepage.

So, mark your calendars now and plan to join Jon, and the rest of our Group, on July 10, to watch this modern day western classic.

Please note that the Zoom link for the movie will be at the top of the Scheduled Events eBlast for the week of July 9, which will be published on July 7.

Looking forward to seeing you on July 10.
