“Oakland Thrive: Working to Bolster Economic Development Throughout Oakland County”

Oakland Thrive is a non-profit organization building a network of support for small businesses in Oakland County.

Launched in March, 2023, it connects small businesses with expertise and resources in the communities where they are located. It reaches out to companies of all types to ensure an inclusive and vibrant economy and community.

Vicki has been managing budgets, developing programs and strategies, and working to grow Michigan companies for over 20 years. She is a former Executive Director of the Michigan Defense Center, which was created in 2006 to support the state's federally funded programs and contractors.

Prior to this, she served for a decade as a director on Senator Carl Levin's staff. Working within the government, she was able to innovate, including recommending new programs and legislation which helped hundreds of companies to respond to economic challenges.
