## President's Year End Report

THANKS FOR THE MEMORIES!

As 2023 comes to an end, sadly so does my tenure as your President. In January, your new President, John Maten will begin his term. When I ring the bell to call the meeting of January 5th, 2024 to order with the gavel, I will then pass it to John and the end becomes real for me. In my heart I will be sad, but satisfied to know that I served our over 570 members with all of my heart and soul.

In my July article I mentioned how time has flown, and the fun I've had interacting with all of our members and I'd certainly like to reiterate that sentiment. I've tried to acknowledge, greet and welcome as many members as possible at our Friday meetings. The success of the "luck of the draw" seating each month was very well received and I hope next year's President will continue the seating. I've bowled, golfed and played pickleball with a great group of men, and had a ball (get it?) doing so. I've had the pleasure of greeting and enjoying conversation with each of our weekly speakers.

When the esteemed leadership of Jerry Stribbell, Maynard Timm and Swarn Rajpal received Board approval to commence work on, and then implement, our Five-Year Strategic Plan, I was named the 2022 Chairman. We established Vision, Mission and Values for the Club to attain. Through the hard work and dedication of the six "Goal Champions" that were assigned to each of the Strategic Goals, we continue to follow the tenets established. I feel we continue to succeed in our Vision to become a "premier organization" with the addition of 65 new members joining in 2023. Our Mission to "foster friendship..., enrich members with engaging activities and accomplished speakers..." has certainly been met and continues to grow. The number of engaging, varied and interesting speakers that have presented to the Club have been outstanding. Our Values of "mutual respect, community service fellowship..." is exemplified by our Friday business meeting gatherings, with in person attendance for 2023 averaging over 111. With the formation of first, an Ad Hoc Community Engagement Committee, then obtaining BOD approval to make it a Standing Committee for 2024, we are enhancing the "community service" aspect of our Values.

I must admit to having some "not so much fun" a few times during my term, but with the help of others, things worked out. I always said "my loyalty is first to the Club and its members" and I hope you agree that I was true to my word.

As SMCB President and Chairman of the Board, I wish to publicly express my appreciation to the other Officers, Standing Committee Chairmen and all of the Committee members that helped me run this Premier organization.

It's time for a new entry into the History of the SMCB. Let us begin a new chapter with the continued enthusiasm, fellowship and respect for all of our members.

*Paul A. Kovceses, 2023 President*

## SMC FOUNDATION NEWS

As the year ends, the Senior Men’s Club Foundation asks for your generous support to close out 2023!

The SMC Foundation has experienced a year of fruitful growing pains. We have refined our bylaws and developed our presentation materials to reflect the highest standards of our club. While the SMC Foundation is independent and separate from the SMC, both are in concert in values and spirit.

**Who we Are** The Senior Men’s Club Foundation is the philanthropic arm of the Senior Men’s Club of Birmingham and is a separate 501(c)3 entity. The Senior Men’s Club Foundation awards yearly grants in the tri-county area.

**What is our Purpose** The Senior Men’s Club Foundation’s purpose is to further educational, cultural, and civic activities and needs, promote philanthropic projects, and to operate for the good of the community. We do this through financial support of organizations that make a difference in the lives of senior men.

**What is our Mission** The mission of the Senior Men’s Club Foundation is to offer financial support, in the form of grants, to qualified organizations primarily in Oakland, Wayne and Macomb Counties. Our grants focus is on the interrelated aspects of senior men in community life, basic human needs and services, educational enhancement, and cultural enrichment.

SMC Foundation presented a grant on Nov. 17 at our Friday meeting to Andrea Hamilton, Executive Director of the Men’s Health Foundation to support their ‘Blue Program’ and prostate cancer screening. This is such an important issue to Senior Men in the Tricounty area. Other grants are coming ... please let us know if you would like to direct us to a specific need.

We recently mailed information directly to you showing how to give.

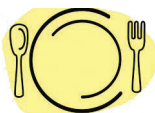

Call Tim McGee or Dick Bradley (248 390-5559) if you have a suggestion of need information.

Andrea Hamilton

## Walt Kowal Life Member Induction

It has been said that 95% of Life's Activities involve performing unenjoyable tasks such as going to a job we hate, paying taxes, and doing unpleasant chores around the house.

Today I have the pleasure of performing an activity that falls within the 5% of Life's Activities that Qualify as an enjoyable task. Specifically, I am honored this morning to introduce my good friend Walt Kowal as our latest SMC Life Member. While most of you know Walt, let me tell you few things about him you may not know. Like many of us, Walt grew up in Detroit. After graduating from high school, Walt served in the United States Army. Walt was Honorably Discharged from the Army in 1956.

With today Being Veteran's Day, I would like to take this opportunity to thank Walt and all the other SMC Veterans in this room for your outstanding service to our great country.

In 1960, Walt earned an Undergraduate Degree in industrial management from the University of Detroit. Walt was a Regional Real Estate Manager with Shell Oil, a District Real Estate Manager with Jack-In-The-Box Restaurant, and a Director of Real Estate for the Dinner House Restaurant Division of Ralston Purina. Walt was one of the Founders of the Michigan Chapter of "NORCORE" which is the National Association of Corporate Real Estate Executives. Walt was one the first Michiganders to earn the prestigious Master of Corporate Real Estate Designation. In 1985, Walt started his own company called Tri State Real Estate. This company specialized in Commercial and Industrial brokerage, investments and Retail Development. In 2010, Walt Semi-Retired from Tri State Real Estate. Walt is still actively involved in handling personal investments for his company.

Walt has been married to his beautiful and charming wife, Maureen, for 62 years. Walt and Maureen have 5 Children and 14 Grandchildren. Walt and Maureen live in nearby Beverly Hills and all of Walt's Children and grandchildren live within 30 miles of his home. Walt's Hobbies include playing golf, pickleball, fishing, and travel. I have personally observed Walt play golf and pickleball. Walt stick to fishing and travel. Walt spends his spare time between his residences in Beverly Hills, Michigan and his condo in LongBoat Key, Florida and his Lake House in Glen Arbor, Michigan.

Walt Treasures the Friends and Acquaintances he has made with members of the Senior Men's Club of Birmingham. Walt is an active member of our club and he and Maureen participate in the most of the clubs monthly events. Walt presently serves as the Chairman of the SMC Chaplin Committee.

A testimonial Walt composed for last year's SMCB Anniversary Reminder issue, Captures his feelings about the club.

Walt wrote:

"Every week I look forward to the Friday meetings that feature excellent speakers and are topped off with a great lunch. The friendships I have made in the Golf League, Special trips and the Christmas Party have enriched my life and I will cherish them forever. The SMCB is an organization I am proud to be a member of. "

## JANUARY SPECIAL EVENT OPPORTUNITY

Begin 2024 with a trip to a familiar nearby location with new things to see. Join the Senior Men's Club of Birmingham for an outing at The Henry Ford Museum of American Innovation in Dearborn on Wednesday, January 10. If you have not been to the Ford Museum for a while, you may have not yet experienced recently-added permanent exhibits, such as the comprehensive and interactive Driven to Win motorsports display. Even if you have been to the Ford Museum this season, you have probably not yet seen the stunning and moving special exhibit which just opened on the life of South African patriot, political leader and human rights legend Nelson Mandela, *Mandela: The Official Exhibition*.

*Mandela: The Official Exhibition* is an immersive and interactive experience featuring previously-unseen film, photos and a display of over 150 historical artifacts and personal effects on loan from the Mandela family, museums and archives worldwide. (These are real pieces, not replicas or representations.) Through a series of immersive zones – each one a dramatically different experience – we will be taken on a journey through Mandela's remarkable life. His epic story is told in a series of experiential galleries, from his rural childhood home through the years of struggle against apartheid to his eventual vindication and final years as South Africa's first democratically-elected president.

The Mandela exhibit will be at The Henry Ford only through January 15, 2024, so this is the time to see it.

Another recently-added display at the museum is Lillian Schwartz: *Whirlwind of Creativity*. The Henry Ford Museum acquired the art, objects and papers of this pioneering digital artist and has fashioned an exhibit of this breakthrough material. Lillian Schwartz was creating digital art when computers were largely mainframes and phones were tabletop devices with cords and dial tones.

All of the other great Ford Museum attractions remain, including the Giant Screen Experience theatre with dramatic documentary short films. Lunch will be on your own at any one of several dining venues at The Henry Ford.

*Mike Clement*

## Birmingham Schools Veterans Day Brunch

On Thursday, November 9, 2023, a large number of SMCB Veterans attended a Veterans Day brunch, hosted by Joan Crampton of the Birmingham Schools District. There were enough of us there to probably fill a couple of tables if we all had sat together. Seating was first come, first served. This works well, though, as it gives us a chance to meet, and recruit, other Veterans for the SMCB..

We enjoyed a fine program which included singing of the National Anthem, and reciting the Pledge of Allegiance.

This was followed by a performance of the Seaholm High School Choir, singing a variety of selected songs. It's really good to see those youthful people engaged in such activities.

A presentation of a visit to Normandy by a high school student and a History teacher, who were part of a group formed by a foundation that sponsors trips such as this proved to be very educational and interesting. They followed the service of a Birmingham flyer killed in action.

Then, a fine brunch buffet was enjoyed by all.

During the brunch, all veterans were asked to stand, introduce themselves, and give a brief recap of their service. This is also very interesting.

The group photo is somewhat short, including myself. I had to leave for another commitment, and understand others did, also.

To Joan Crampton and the Birmingham Schools District -

BRAVO ZULU !! (Navy lingo for WELL DONE !!).

Dinner will conclude with a raspberry sundae dessert. Gluten-free and vegetarian alternative entrées are available upon prior request on your signup sheet.

A cash bar will be available throughout the evening, with cocktails at \$8, wine at \$6, beer at \$4, and free soft drinks/coffee/tea. The San Marino Club will be festively decorated in a Christmas motif with flowers and candles at each table. Dave Tatrow's four-piece stringed instruments group The Waifs (with a vocalist) will entertain us through the evening, opening with a salute to the Armed Forces, followed by a sing-along and seasonal favorites for our listening and dancing pleasure, and the SMCB Chorus will serenade us with songs of the season. Again this year, the US Marines will be collecting unwrapped unused Toys for Tots at the party.

This is one of the most popular and successful annual SMCB events, so please make your reservations now!

## CLASSIC MOVIE GROUP

On Monday, December 11th at 1:00 PM, via Zoom, Waller Harris will present the outstanding holiday movie “It’s a Wonderful Life” (1946) (2 hours / 10 minutes). Produced and Directed by the legendary Frank Capra, the film stars James Stewart as George Bailey, a family man who has given up his personal dreams in order to help others in the community throughout the years, but now, for number of reasons, has thoughts of suicide on Christmas Eve. Just before George tries to carry out his final plan, his guardian angel, Clarence, played by Henry Travers, intervenes and reviews with him all the lives he has touched for the good and what the world would have been like if he had not existed. Afterwards, a grateful George runs home to his family and, once there, finds that his many friends have come to his aid and help him put his life back on track.

Although the 5lm was unsuccessful at initial release, it has gained a large following through the years, and is now considered one of the greatest films of all time and is listed as one the 100 Best Films Ever Made by the AFI. Also, it has a Rotten Tomatoes score of 94% and scores 8.6/10 on the IMDb.

A preview of the movie is now available to watch by pressing the CMG Movie Preview Button on the Club’s Homepage.

So, mark your calendars now and plan to join Waller, and the rest of our Group, on December 11, to watch and enjoy this Classic Christmas Fantasy from Hollywood’s golden age. Please note that the Zoom link for the movie will be at the top of the Scheduled Events eBlast for the week of December 10, which will be published on the morning of Friday December 8. Looking forward to seeing you on December 11.

– Fred Hansz / Chairman

## MONDAY AND WEDNESDAY READING GROUPS DECEMBER 2023

In December we will discuss two books which are sure to provoke serious discussions. The first explores a little-known plot to kill the allied leaders in World War II. The second is a biography of Elie Wiesel, which is particularly timely given the current concerns about antisemitism.

As we approach the new year, you are encouraged to check the club's website for the schedule of books to be discussed during 2024. Both groups will continue to meet via Zoom. Please let Roger Timm or Bob Maxfield know if you wish to be added to our distribution list.

Wednesday, December 6, 10:30 AM: *The Nazi Conspiracy: The Secret Plot to Kill Roosevelt, Stalin, and Churchill* by Brad Meltzer and Josh Mensch. (New York: Flatiron Books, 2023) This discussion will be led by Bill Price.

From the publisher: "In 1943, as the war against Nazi Germany raged abroad, President Franklin Roosevelt had a critical goal: a face-to-face sit-down with his allies Joseph Stalin and Winston Churchill. This first-ever meeting of the Big Three in Tehran, Iran, would decide some of the most crucial strategic details of the war. Yet when the Nazis found out about the meeting, their own secret plan took shape—an assassination plot that would have changed history. A true story filled with daring rescues, body doubles, and political intrigue, *The Nazi Conspiracy* details FDR's pivotal meeting in Tehran and the deadly Nazi plot against the heads of state of the three major Allied powers who attended it. From the *New York Review of Books*: "Meltzer and Mensch...give history a sheen of drama that it deserves while leaving the reader with much to consider."

Monday, December 18, 3 PM: *Elie Wiesel: Confronting the Silence* by Joseph Berger. (New Haven: Yale University Press, 2023). Bob Frank will lead this discussion.

From Amazon: "As an orphaned survivor and witness to the horrors of Auschwitz, Elie Wiesel (1928–2016) compelled the world to confront the Holocaust with his searing memoir *Night*. How did this soft-spoken man from a small Carpathian town become such an influential figure on the world stage? Drawing on Wiesel's prodigious literary output and interviews with his family, friends, scholars, and critics, Joseph Berger seeks to answer this question."

The reviewer in *The Jewish Voice* praised this book as "beautifully written, even-handed, and illuminating account of an unassuming, but haunted man from a small shtetl who warned the 'the opposite of love is not hate, it is indifference'."

Looking ahead to January 2024

Wednesday, January 3:

*Nothing Like it in the World: The Men Who Built the Transcontinental Railroad* by Stephen Ambrose (Gordon Allardyce)

Monday, January 15:

*Victory City* by Salman Rushdie (Swarn Rajpal)

*Bob Maxfield*
