Dear Mr. Smith and Club Members:

Thank you for donating to the Library of Michigan a copy of *The Wars of Our Generation*. Your gift has been added to our Michigan Collection. World War II history researchers will certainly appreciate your efforts.

A book plate identifying your organization as the donor will accompany your generous gift when it is placed on the Library of Michigan's shelves. Library users will be able to locate this item by searching the ANSWER online catalog system. Our online catalog is readily available in the Library. It also can be accessed by off-site computers through the Internet.

I hope that your organization has been pleased with the services of the Michigan Library and Historical Center. I appreciate your interest in the Library of Michigan and your personal support of our program.

Sincerely,

Charles Hagler
Reference Librarian
